

Home and School

We recognise the importance of working together with you in your child's education. The relationship between a child's home and school forms an important part of a successful education and we provide many opportunities to develop the partnership with parents. We ask for your full support to achieve this.

Each term we run events in every classroom to enable you to join in with your child and see first-hand the work they do. This includes invitations to lessons, the start of new topics and Family Learning Mornings.

We also run regular class assemblies where the children showcase their learning and where they learn to speak confidently in front of an audience.

We hold termly meetings between parents and class teachers to keep you regularly informed of your child's progress. In the Summer Term we send you a copy of your child's "Record of Achievement" for the past year.

The class teachers are always willing to see you at the end of the day if you have anything you wish to discuss. A message can always be left with the office.

If you have any concerns about your child's progress you are most welcome to make an appointment with the class teacher in the first instance and if you still have concerns with the Head teacher.
