

SPORTS DAY HELP!

Dear Parent/Carer,

Sports Day is almost upon us and we'd like to ask for your help.

Do any of you have a gazebo or party tent you could loan us? We'd like to borrow enough to have one for each class and the refreshments stall. You would need to bring it to school during the morning of sports day and ideally put it up for us (and take it down after sports day!).

We are also hoping you master bakers out there would make some more of your fantastic cakes for us to hold a cake stall – please bring cakes to school at registration.

The refreshments stall this year will be selling teas, coffees, cold drinks and cakes, biscuits etc. Would anyone like to volunteer to help? We'll be setting up from noon, serving up until the first race. We'll be closing during the races then opening straight after to serve refreshments and cakes.

We will also be selling the 100 squares again, £25 top prize!

If you are able to help us in *any* way, please return the form below by Tuesday 28th June to the school office or speak to Mr Starling.

Many thanks,
Friends Group
