

Many thanks to all the parents that kindly donated cakes (and bought cakes!), we managed to raise a fantastic £82 for our fund.

We have also been given a generous donation of £100 from Gorefield Bowls Club towards our fundraising for outside play equipment.

The Friends Group will be continually fundraising throughout the year, please don't feel you have to support everything financially, a pair of helping hands is just as important. Aside from raising funds for equipment for outside play we are hoping to fund another trip to the panto at Christmas (sorry for mentioning that word!).

Logo Design Competition. As you can see, a logo has been created with a combination of designs from Annabelle (Robins), Rachel (Robins) and Jack (Owls). The designs were so good the Governors had such a tough decision to make they decided to combine 3 fantastic ideas – Mr Starling will be presenting their prizes in due course. Thanks again to all the children who took part, we'll be after poster designers for future events too.

Easter Bingo. Thursday 24th March, eyes down at 3.30pm – why not come and enjoy a cuppa and a game of bingo, bring your children because there will be a game for them and it's open to friends and grandparents too! We're looking for volunteers to help set up, serve drinks etc, if you'd like to help just pop into the office and leave a contact number. If you would like to donate an Easter Egg for the bingo please bring it to the school office – thanks.

Allotment Club. The Prince's Trust have been working extremely hard in the school garden recently and have now created the nature area and raised beds the pupils requested – now it's up to us to help the children maintain and grow these areas. If you would like to be involved in a possible gardening club or just a spot of light weeding, let us know. Any unwanted plants are always welcome.

Newsletter March 2016
